**29.2. CHAIRMANS REPORT**

**29.3. WELFARE**

Maxine was on holiday but filed the following report.

No major concerns with welfare.

I've updated the WGS as we've had a few new coaches join us and we have a new system.

I wanted to make sure all coaches were added to the right team. There were quite a few adjustments to be made but all teams are now updated. Still waiting for U6 to reply & send me back the form that needs to be filled in. They are still not on our system.

There are a couple of coaches without a dbs, I've added them so they can complete.

A few need to renew their SG or EA, they are aware. We need these completed for the accreditation.

I'm very grateful the majority of coaches have been polite, kind and appreciated my emails/calls.

It's been great having Nikki as WO. It's good to share the job & have someone to discuss any issues with.

I'm so sorry but I'm going to step down from Welfare.

Please be aware anyone who takes over needs to realise, Welfare takes up a lot of time & patience, it's been very challenging working myself around the WGS, but I got there in the end.

Im very happy to show the next WO, how welfare, Whole Game System and DBS works.

I want to say thank you to the committee and club for having me, Ashurstwood really is a fantastic club.

Especially thank you to Ray & Les for their kindness, support and help.

#### **29.4. NEXT YEARS PRESENTATION DATE AND VENUE**

It was agreed that after the extremely successful presentation day earlier this year which was held at the rugby club that we would hold it there again next year on a date to be advised.

#### **29.5. COACHES JACKETS**

It was decided that as some of the coaches have had their jackets for a number of years that some of them will be renewed next season if necessary and more information will be given at an anticipated coaches meeting in the new year.

#### **29.6. WHITE LINER**

We hope to purchase a white liner to be used when necessary next season and will assess the costs surrounding this at the end of the season.

#### **29.7. COACHES MEETING**

We hope to arrange a coaches meeting in the New Year

#### **29.8. WINTER TRAINING**

#### **29.9. FACEBOOK**

It was decided that in order to communicate more directly with parents that we ask someone to actively promote our profile on social media

#### **29.10. ANY OTHER BUSINESS**

Kevin Maxey is in the process of producing comprehensive details of all our grounds which can be sent to opposition teams prior to matches. Once completed, they will be available to download on the website. It was also suggested that we should laminate them and put them on display where possible in the pavilions. The Chairman and the rest of the committee were very impressed with the amount of thought and effort that Kevin had put into this.

It was suggested that next season, every team should nominate at least one adult to represent them on the committee.
